

Greenmade® - 12 Gallon Flip Top Clear Storage Tote

- Holds Letter and Legal Size
- Interlocking Zipper Top
- Stacking Strength
- Padlock Holes for Locking
- Easy Content Identification

Greenmade® Products

US Merchants designs, fabricates, and sells a retail line of molded plastic boxes (also known as crates or totes) under the name **Greenmade™**.

Made with virgin copolymer polypropylene for strength and durability – built to last!

All manufacturing of our retail product line is to the highest-quality industry standards. Each storage container is trimmed on the top and the bottom to ensure smooth edges in the end product.
